PRESIDENT'S MESSAGE

Hello everyone,

As this year's four season winds down, I'm remembering all of our club activities this summer, and I think we had a very successful year. All in all, the weather was good for almost all of our outings, and fun was had by all. If the weather holds up, you could still drive a few more miles this year.

See you soon, Jan

September 21, 2014 -- YEAH, we did it!! What? The Scavenger Hunt!!

We started from home in a rain storm but as we drove the rain stopped and out came the sun. It was beautiful.

As we waited our turn to leave the Mars train station we discovered that there were two couples from the Butler BOSH club that had joined our gang.

When our turn came to leave the train station we knew the hunt was on. As we traveled the awesome countryside we looked for doors, parachutes (in a pouring down rain), a Game Bird Farm, the Three Stooges (Larry, Moe, & Curley), an emergency phone number, complete sets of antlers and picnic benches at a church shelter. Let it be known that we needed to back track several times to locate these outstanding finds. No, we didn't get lost, hmmm!

But the trivia question, "What was tattooed on Little Egypt's back was quite obvious to us. Not ever having met Little Egypt or knowing who she/he was the answer had to be "A Tattoo". (BLING!)

Needless to say, probably because of our back tracking, we were the last to reach the final destination, The Hardwood Café. All in all, everyone seemed to have a spectacular time - THANKS to Bonnie and Jan.!!

All aboard for next year!!
