A Message from the President

I want to apologize to any of you who came to last month's meeting and could not get in. We had a problem with the electronic key. I walked around the building and found some people in the gym. One person gave me his key to try, but it also didn't work. Since they were leaving, I asked him if he could leave the doors open so we could hold our meeting in the gym. He agreed and everything worked out O.K., except I felt sorry for the members who had a problem with sitting on the bleachers with no backs.

In spite of the discomfort, we had a good meeting. We talked about not having the car show and some good ideas were suggested for future events. Some members said that they would do some Saturday trips to help fill the void from the show. So, I'm sure we will do fine.

On the way to Eat 'n Park after the meeting, I called my friend, Hope. She asked how everything went and I explained about the electronic key not working. The first comment she made was that it was probably due to the time change. I stated that it could not be that, since it works by a computer. She said it could still be the time change. Then I realized that she is never wrong. (Typist's note - 'almost never wrong.') So I kept my thoughts to myself, now knowing that she might be right, as always. (Note - 'he's learning!') When I told everyone at Eat 'n Park what Hope said, they all agreed. But...I was going to call the church first, as there might be a very slim chance that she was wrong. (Note - 'well, maybe he's not learning!') I made the call, told them what happened and not to my surprise, Hope was right...as usual! When will I learn? (Note - 'my thoughts exactly!')

The new rosters were passed out, so remember if you cannot be at a meeting, have someone pick up your copy for you, since we don't mail them due to the cost. Also, remember that if you didn't pay your dues on time, then you may not be included. I mentioned about paying dues in my letters to the membership and it was also mentioned in the Newsletters.

Our first lunch trip is to Slippery Rock on May 3rd. I'll give more information next month. Also, our Sunday Brunch Tour is May 6th. We will leave from Zone 28 parking lot in Harmarville at 10:30 a.m.

Remember you can call me with any questions you may have about anything. See you at the April 8th meeting!
Your President, Steve Illsley
