MARCH 2021

PRESIDENT'S MESSAGE

Greetings!

We've had a great mix of weather over the past few weeks. Looks like spring is on the way!

Still not sure when we will be able to have an indoor meeting. I hope it warms up enough to have an outdoor meeting at the train station so we can get together safely.

So, dust off your old car or truck, plan a tour and let's get ready to have good time!

Be safe.

MJ

What part of the car is the laziest? The wheels, because they are always tired.

After the winter we've had,
I'm all for anything with the
word "spring" in it!

**Sunday, March 14th Daylight Saving Time.
Spring ahead 1 hour.**

UPCOMING EVENTS

- NHHAC Monthly Meetings & 2021 After-Christmas Party on *Hold* until further notice.
- March 26 Men's breakfast, 8:00 am Eat n Park Wexford at Rt 910 & I-79

Since 1971

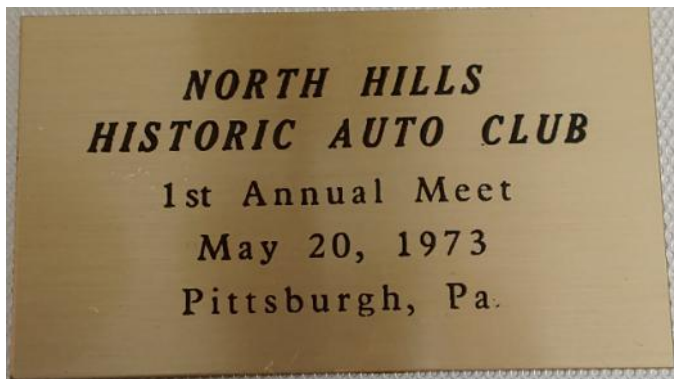

www.nhhaclub.com

Within no time, the members were planning and producing the NHHAC Auto Shows. Dash Plaques became collector items. It was quite a sought after honor by members to have your vehicle on the plaque.

As shown below, the designs became more detailed as the years progressed. After the first show it became an annual event the third Sunday each July. Many vehicle enthusiasts were regular attendees knowing they would be fairly judged and receive nice trophies. The shows were well organized and participants were warmly welcomed by our members.

In 1996 the show moved to June, either by scheduling conflicts with other events or the heat of July was too much to bear anymore. It was a very well attended annual event, ending in 2016.

Many Thanks to Rick Kelley, Rick McClure and Cathy Paine for sharing their NHHAC Archives!

Planning for the show began each January. As reflected in the April newsletter, it took the work of many to plan and execute.

NORTH HILLS HISTORIC AUTO CLUB

NEWSLETTER

April, 1974

Vol. 1, No. 5

Our March meeting was spent as an organizational meeting for the Auto Show.

The Show is to be held July 14, 1974, at Murphy Mart Shopping Center, McKnight Road.

We are to have an expanded field of eight (8) classes this year. Trophies will be awarded to the top three in each class and the trophies are to be of a better quality than last year. A "Best of Show" trophy will be awarded.

A raffle will be sponsored with two prizes - baskets of cheer - to be given. Each club member is required to sell or buy \$10 worth of tickets to assure the financial base of the Show.

Auto registration fee - \$2 (pre-registration- \$1.50)

Public admission charge is \$.50 with children under 12 admitted free of charge if accompanied by an adult.

We have contacted the North Hills Jaycees who will provide food and beverage service at the Show.

The Show Chairman is George Tanner. George is to be assisted by: Rick Kelley and Frank Pribanic.

The sub-chairmen are:

Raffle -	Mike Coco
Public Relations -	Gene Arnold and Jim Whitehead
Registration -	Ken Baker
Grounds -	Ken Kelley
Door Prizes -	Bernie Malush
Flea Market -	Rick Kelley
Trophies and Dash Plaques -	Bill Glesner
Public Admission -	George Bittner
Judging -	(and he is going to keep doing the job until he gets it right) Marv Benzdick

Of all people, Bernie Malush will need immediate assistance of all members in getting prizes to award to the auto owners. This aspect of last year's show was one of the most appreciated. Each member is requested to get items for the goody bags or items which may be awarded as a door prize as soon as possible. Once procured, bring the prizes to the next meeting.

We have a new member - Jeff Donahue. Come to the next meeting and receive a copy of our revised roster of members.

Next meetings are:

April 7 - Ken Kelley's
125 Thompson Drive Ext.
Laurel Gardens

May 5 - Rick Kelley's
3848 Anderson Road
Gibsonia

Make sure of the dates. These have both been rescheduled due to Easter and Mother's Day.

Treasury balance - \$302.83

Flyers, posters, registration forms and raffle tickets brought attention and attendance to the shows.

NORTH HILLS HISTORIC AUTO CLUB

Trivia

The 1915 Scripps-Booth Model C was the first car to place the horn button in the center of the steering wheel . It was also the first with electric door latches.

DID YOU KNOW? I found this when I renewed my vehicle registration online. Anything to expedite emergency aid is encouraged. More information at www.YellowDot.PA.gov or call (717) 787-6746

Pennsylvania's Yellow Dot Program was created to assist citizens in the "golden hour" of emergency care following a traffic crash when they may not be able to communicate themselves. Placing a yellow dot in your vehicle's rear window alerts first responders to check your glove compartment for vital information to ensure that you receive the critical medical attention you need.

The program is a cooperative effort among the Pennsylvania Departments of Transportation, Health and Aging; the Pennsylvania State Police; the Pennsylvania Turnpike Commission; and first responders and local law enforcement.

How the Program Works

Participants complete a personal information portion in the booklet, which includes the participant's name, contact information, emergency contact information, medical history and medications, allergies and the participant's doctors' contact information. A photo – showing only the participant's head and shoulders – is then taped on the spot allocated in the booklet.

The yellow dot decal provided in the program kit is placed in the lower left corner of the vehicle's rear window. The top of the sticker should be no higher than 3.5 inches from the bottom of the window. This decal alerts first responders that vital information can be found in the vehicle.

Place the completed information booklet, with the attached picture, into the vehicle's dashboard glove compartment.

How to Participate

For more information on Pennsylvania's Yellow Dot Program or to request a kit, visit www.YellowDot.pa.gov. You can also call the PennDOT Sales Store at: 717-787-6746.
