JUNE 2022

PRESIDENT'S MESSAGE

Hi fellow car people!

Well, we made it through the winter and car events have started to open up. As always, it was nice to see such a good turnout of people for the meeting as we are trying to get back to some kind of normalcy.

More Aspinwall Memorial Day Parade Photos at www.nhhaclub.com

Thank you Jennie!

Oakmont Lions are still not sure how they are going to run the Father's Day Cruise. Members will have to go on carcruises.com to see if it is listed there.

Bonnie and Jan have reserved the Church again for our Club Picnic on September 11th. Thanks Bonnie and Jan.

Remember, our next meeting will be at the Train Station in Mars. Happy and safe driving.....

Mike
President

Resources for Antique Vehicle Repair

It was suggested to create a list of businesses knowledgeable working on old cars. Either email me at NHHACNews@yahoo.com, bring the information to a Club Meeting or contact one of the Club Officers with your suggestions.

Your personal experience with the business would be helpful to validate the resource. Members will need to do their own due diligence when considering a business on the list.
